The above non-elected claims are herein cancelled so as to expedite the prosecution of the present application. The election was made without traverse on 10/27/03.

2. The following is an examiner's statement of reasons for allowance:

In light of applicant's remarks filed on 2/5/04, previous 102/103 rejections of record are now withdrawn. Prior art of record, taken alone or in combination, do not fairly suggest or disclose the presently claimed polymerizable system containing the recited work-life extending agent in the claimed amount. Accordingly, the instant invention as defined by claims 1-15 is now patentable with respect to prior art of record.
